## *“Ballet Elite”*

New for September 2014, *“Ballet Elite”* will provide students with a non-examinable classical ballet class; designed to develop artistry, musicality and technique. There is no pre-determined level of enrolment, but the teaching team will invite students to become a part of *“Ballet Elite”*. The students will wear their normal classical ballet set uniform. Pointe work is not included.

The class will be added into the September timetable on; Wednesday 5.30-6.45 at The Ritchie Hall.

The cost will be in addition to all other fee structures and will be charged at an hour class rate; of £5.10 per lesson.
